THE PREZ SEZ

By Doug Heydon (WB6WDS)

Due to the unwarranted intrusion of things like working on proposals and other time problems, the Executive Board voted to let the editor of CROSS TALK off the hook for this month. You will therefore be treated to the shortest issue ever published. This page is it!

Since there is the important business of election of officers coming up next month, the question of meeting attendance was discussed. The Board voted to move the December meeting from its "normal" date of the 31st up to the 17th, to avoid conflict with possible holiday plans. Please mark your calendars now for Wednesday, 17 December as the date for the last regular meeting in 1969. A double "holiday issue" of CROSS TALK will be published early next month.

The TRW ARC (W6VB/6) placed second nationally and tops in the sixth call area in Field Day class 6A. Congratulations for a job well done to all who helped. Wait 'til next year!

73,

Doug
