NEWS BULLETIN OF TRW AMATEUR RADIO CLUB

Sponsored by Systems Employee Association

DECEMBER 1979

NEXT MEETING: WED., NOON, DEC. 19, 1979  
LOCATION: R4-2041  
INSTALLATION OF NEW OFFICERS

## INSURANCE

The ARRL is now making insurance coverage available to affiliated clubs and their members. They originally only furnished insurance forms to those who inquired. We now have applications available. Contact Bill Dews, M2-2155, 53392. This is primary coverage for all ham gear and claims are paid on replacement cost as opposed to a depreciated basis.

## QST 33rd VHF SWEEPSTAKES

QST 33rd Sweepstakes, page 98, Dec. QST. How about some of you VHF/HF hams helping out at W6TRW, January 12, 1800 UTC until January 14, 0400 UTC. Many hours of operating, so lets set up a schedule and see what we can do.

We have a new rig and much coffee, so with a schedule we can work it out so only two or three of us will be using the space at the shack. Operators, logger and helper? All hours: Days, night, early morning what ever. The frequencies are: 146.49, 52, 55, 58, and 147.42, 45, 48, (51), 54, 57 MHZ only.

How about calling me or dropping a note and saying what time your XYL will let you out.

Bill K6AWO X53392 M2-2155

## TREASURERS REPORT - DECEMBER 1979

Balance on hand - November 10, 1979	Balance on hand - December 10, 1979
Checking Account       1736.59	Checking Account       903.81

<hr/>	<hr/>
Total                   1891.25	Total                   1063.14

Credit Union Loan Balance 12-7-79 = \$758.26

## CONDOLENCES

I am sorry to announce the passing of Monalee Lohr, wife of John Lohr, K6AEL. John was scheduled to speak at our last meeting with slides of the Antarctic, but had to fly to San Francisco with his wife. John said he would try to make it at another time. Our thoughts are with you.

## SWAPMEET

The November Swapmeet was another good one with a record crowd. Much good equipment changed hands and the perpetual movement of Amateur gear from Ham Shack to Ham Shack continued. Lots of donuts and coffee were consumed. The prices were very reasonable and there were lots of hungry buyers looking for super bargains.

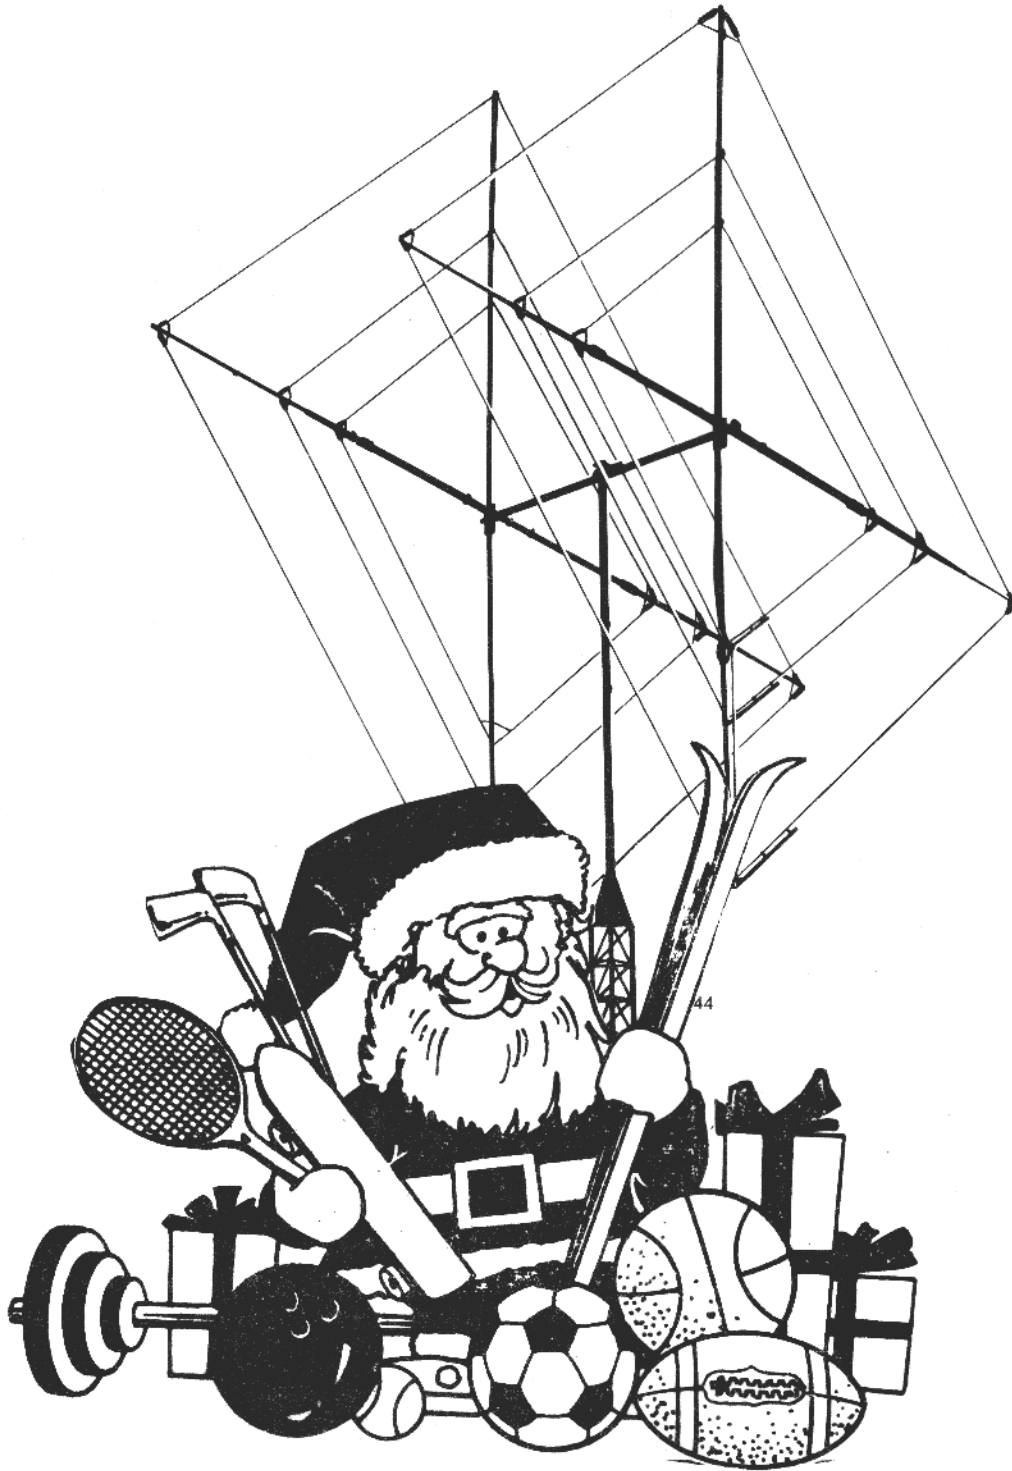

The club still needs donations of electronic equipment, components, etc. Anyone wishing to donate items should call a TRW/ARC club officer or Bill Schreck, WA6EVS, M5-0206, 51583. The proceeds for sales of donated items will be used to buy new club Ham gear, or to pay expenses of Field Days and other club events.

Hope to see you all at the December 29th Swapmeet.

QCWA

If you have been proposed for membership in the Quarter Centruy Wireless Association, better turn in the application before January 1, as the first of the year dues are being raised from \$14 to \$19 for three years.

QCWA 1409 Cooper Dr., Irving, Texas, 75061

No matter what your sport, the TRW/ARC officers and staff wish you and your family a Merry Christmas and a Happy New Year.
