Garrett/W6TRW Repeater: 145.32/down 600 (2A-PL) -- UHF: 442.000 in/447.000 out

CALENDAR FOR FEBRUARY AND MARCH

Feb. 25 8-11am	Swapmeet.
Feb. 28, noon	Club Meeting R4-1041.
March 13 after work	Executive Board Meeting; all are welcome.
March 16 after work	St. Patrick's Day Observance.

FROM THE LIBRARY AT BLDG 65

The library wishes to thank Ed Thornley, W6RXD, for his donation of QST (7 years from 1982 back). We now have extra copies from '78 to '81. If you know of any club or school that could use them, drop me a note at 138/5688.

Lately we have acquired World Radio paper and some exchanged Newsletters from other radio clubs. You are welcome to use them.

We need boxes for storing the magazines: 7x10x2" for the earlier QST format and 8½x11x2" for the large format, such as those for photographic paper (photo services have very few of them).

For info to those who have a Vic 20, there is a program for locating call-letters, countries, longitude and latitude, and dx from U.S.A. in the Feb. issue of 73.

For info to those who have an Apple: There are 2 Apple nets that you could receive at West Coast: one is on Sundays, 1700, at 14.329 Mhz and the other on Saturday mornings at 0900 PST at 7.230. *GMT/ZULU*

The Librarian

NEW BADGES

The new badges that were ordered are now in for: Margaret, N6GNK; Jim, W6GPE; Fred, N6JDO; Roy, W6JET; Sandy, WB6UXK. Bob, N6JDH; and Ray, WA6KXX.

NEW TRW/ARC MEMBERS

WE WISH TO WELCOME THESE NEW MEMBERS TO OUR CLUB!

Ray Dromgold, WA6KXX

Sanford Barnes, WB6UXK

Robert Wasson, N6JDH

Donald Gibson, N6GPS

Mike Smiljanich, KA6OUF

Charles Clarke, W6NWP

SWAPMEET NOTES, JANUARY 1984

The first W6TRW Swapmeet of 1984 was a HUGE success. The weather was delightful and on the warm side for January. This may have helped to bring out the buyers and sellers. Within the sellers parking lot of 375 available spaces, there were only 42 unoccupied spaces at 9:00 am, and the Buyers were overflowing the available parking space surrounding the Swapmeet area.

The January volunteer swapmeet supervisors, Chris Wachs, WA2KDL and Harry Junker, KZ6M did a fine job of traffic control and general supervision. Gary Komatsu took the responsibility for supervising the closing of the swapmeet - my thanks to all of these fellow club members for their help and good work. The Swapmeet represents a real Mecca for those interested in low-cost electronic components and some real bargains are to be found in amateur radio communication equipment.

If you haven't been to our swapmeet yet, I think you'll enjoy the experience. Hope to see you at the February 25, 1984 event.

Jim McWilliams, W6RTG

MURPHY'S RADIO CLASS

AMATEUR RADIO CLASSES TO START ON FEBRUARY 21, 1984

YOU can learn to be an amateur "Ham" radio operator (or upgrade your present license). Murphy's Radio Class will begin morse code and radio theory courses for Novice/General, Advanced, and Extra Class amateur radio license starting on February 21, 1984.

NOVICE/GENERAL CLASS

For the General class, no background in electronics or Morse code is required. Students will receive training for their Novice License while attending this class and by the conclusion of the class will have the qualifications necessary to pass the Federal Communications Commission examination for the General Class Amateur License. This class license allows you to talk to fellow amateur "ham" radio operators throughout the world.

The class will provide all written study materials and practice code tapes will be available at a nominal cost. Students should have a cassette tape recorder available for home use.

Classes will be held one evening per week for eighteen weeks. The cost of the eighteen week course is \$65.00 (\$10.00 discount for advanced payment). Students under 18 years of age may register for \$25.00. A full refund will be made through the third class for any persons who do not wish to continue.

ADVANCED AND EXTRA CLASSES

Advanced and Extra classes will be taught on Tuesday evenings and are nine weeks in length. The material for all classes is based on the new FCC examinations. New classes will start on Feb. 21, and again on May 1, 1984. The fee for the Advanced Class or Extra Class is \$45.00 (\$10.00 discount for advanced payment).

WHERE/WHEN

Tuesday, February 21, 1984 classes for all three license levels will be held at the Senior Citizen's Bldg. at 4153 Overland Blvd., Culver City (located 1/2 block South of Culver Blvd., adjacent to the Veterans Memorial Building). Classes meet weekly from 7 pm to 9 pm. (Feb. 21, 1984 we will be open at 6 pm for registrations.) More information? Call (213) 391-0312.

FCC LICENSE EXPIRATION
