EDITORS NOTES:

This issue is devoted to the election of club officers for 1992 and membership renewal. I would like to thank Jeff Shields, N9CZA for the great job he has done as club president the past two years. Remember the new deadline for Crosstalk submissions is the first of the month. That way we can go to press the first week of each month so that everyone will receive their issue before the monthly club meeting. 73 de KJ6GR
